CLARIFICATION STATEMENT

Hong Kong, 21 August 2024 – Galaxy Entertainment Group (“GEG”) (HKEx stock code: 27) wishes to clarify a recent media article on GEG’s dividend payment record.

We wish to clarify some ambiguity in a recently published Hong Kong newspaper article about GEG’s dividend history. Following the publication of the article we received some investor inquiries regarding our record of dividends payments. We wish to clarify that from July 2014 GEG has consistently paid two dividends per year. One dividend following the close of the half year and a second dividend following the close of year end. The only exception to this practice was during the period of COVID where due to the uncertainty of reopening dates, dividends were temporarily suspended. It should be noted that post-COVID reopening, GEG was the first Macau Concessionaire to recommence paying dividends. It should also be noted that GEG most recently announced dividend was HK\$0.50 per share compared to the previous dividend of HK\$0.30 per share, which represents a 66% increase in dividend payment. Mr. Francis Lui, Vice Chairman of GEG said, “GEG wishes to confirm that we are committed to returning capital to shareholders through our consistent dividend track record.”.

The Group primarily develops and operates a large portfolio of integrated resort, retail, dining, hotel and gaming facilities in Macau. GEG is listed on the Hong Kong Stock Exchange and is a constituent stock of the Hang Seng Index.

GEG through its subsidiary, Galaxy Casino S.A., is one of the three original concessionaires in Macau when the gaming industry was liberalized in 2002. The Group operates three flagship destinations in Macau: on Cotai, Galaxy Macau™, one of the world’s largest integrated destination resorts, and the adjoining Broadway Macau™, a unique landmark entertainment and food street destination; and on the Peninsula, StarWorld Macau, an award-winning premium property.

The Group has the largest development pipeline of any concessionaire in Macau. When The Next Chapter of its Cotai development is completed, GEG’s resorts footprint on Cotai will be more than 2 million square meters, making the resorts, entertainment and MICE precinct one of the largest and most diverse integrated destinations in the world. GEG also considers opportunities in the Greater Bay Area and internationally. These projects will help GEG develop and support Macau in its vision of becoming a World Centre of Tourism and Leisure.

In July 2015, GEG made a strategic investment in Société Anonyme des Bains de Mer et du Cercle des Étrangers à Monaco (“Monte-Carlo SBM”), a world renowned owner and operator of iconic luxury hotels and resorts in the Principality of Monaco. GEG continues to explore a range of international development opportunities with Monte-Carlo SBM.

GEG is committed to delivering world class unique experiences to its guests and building a sustainable future for the communities in which it operates.
